Kerr Disagrees With Christian Science

"Inconsistencies of Christian Science with the teachings of the Bible." was the subject of a talk given by Rev. C. W. Kerr, pastor of the First Presbyterian church, at the weekly meeting of the ministerial alliance yesterday morning. Ira Brook, chairman of the near-cast relief committee, asked the co-operation of the alliance in the campaign to be held from Monday noon. May 17, to Wednesday noon. May 19. Miss Alma Reid McGlenn, head of the Tuisa public library, will speak at the next alliance meeting on "The Library as an Asset to the Religious Forces of the Community" Rev. W. H. Murphy, pastor of the Second Presbyterian church, is chairman of the program committee.

PROBE IN ALFALFA COUNTY

Charges that County Officials Specnlate on Land. ctated Press State Wire

OKLAHOMA CITY, May 3 -- Investigation of reported speculation by county officials of Alfalfa coun-ty in connection with the purchase by county officials of Alfalfa county in connection with the purchase of land for a county poor farm will be ordered at once. Alforney General S. P. Freeling said today.

After it was decided to purchase the new poor farm, according to reports received by the attorney general, two county officials bought land in the county and holding it in the name of a third person, resold it to the county for use as a poor farm.

"Tulsa for a Song" Was 1901 Opportunity of Multimillionaire

This Tells You How to Get Benefit of the Best Senna

Finest Grade of Egyptian Senna Leaves used in compounding Dr. Caldwell's Syrup Pepsin.

DROMINENT importers and wholesale dealers in crude drugs and medicinal herbs gathered from all parts of the world do not hesitate to say that the market for the better grades of medicinal herbs, roots, oils, etc., is practically confined to the leading manufacturers of the so-called package medicines, who buy only the very best, and that the manu-facturers of Dr. Caldwell's Syrup Pepsin are the largest users of the best grade of Egyptian senna leaves in the world.

The potency of a tea brewed from senna leaves to relieve constipation has long been recognized, not only by the medical profes-sion, but by the public generally; in fact, senna has been known and used in medicine for more than five centuries. The cheaper grades of senna, such as are usually sold at retail, have, however, a tendency to gripe and cramp

which makes their use unpopular with most people.

In Dr. Caldwell's Syrup Pepsin the finest Egyptian senna is com-bined with pepsin and other valuable agents, essential oils and pure cane sugar syrup to make an ex-ceptionally valuable tonic-laxative for the relief of constipation and resulting disturbances of the stomach and bowels. The com-plete formula is plainly printed in English, French, and Spanish on every package. Thousands who formerly bought an inferior grade of seans leaves now use Dr. Caldwell's Syrup Pepsin instead. It is sold in drug stores everywhere,

In spite of the fact that Dr. Cald-well's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.
